# ABOUT DIVINE CORK

Divine Cork India Pvt. Limited is pleased to introduce itself as a leading manufacturer and supplier of high-quality industrial rubberized cork sheets. We have established a solid name in the cork industry as a trustworthy and dependable partner by placing a strong emphasis on client satisfaction and quality. We provide customers all over the world with tailored solutions that are customised to match their unique needs.

Our product line, which includes Rubberized Cork Sheet, Rubberized Cork Frame Gaskets, Rubberized Cork Washers, Rubberized Cork Strips, Rubberized Cork Automotive Gaskets, and Cork Granules and Powder, is made to meet the various requirements of different industries, including automotive and transformer.

Our founder's passion for this versatile and sustainable material led to the development of our cutting-edge production plant, where we have been able to produce rubberized cork items of the greatest quality. We recognised a need for a product that would not only perform incredibly well but also be environmentally conscious in a world where many industrial materials are synthetic and unsustainable. Because of this, we have made it our aim to spread awareness of cork's advantages by providing products for a variety of markets, including the automobile and transformer sectors.

Divine Cork differentiates itself from competitors in the business via our dedication to continuing research and development. We are continually looking for new methods to enhance our processes and products because we want to offer our clients the best available solutions. Our team of professionals works incredibly hard to stay on top of the game and provide products that are unmatched. They have a plethora of expertise and experience in the cork sector.

We are proud of our capacity to offer customized solutions that are tailored to the individual requirements of our customers. We have the knowledge to provide, whether you're seeking for a standard product or a one-of-a-kind solution. Our customer service team is committed to delivering total satisfaction and establishing enduring connections based on mutual respect and advantages.

At Divine Cork, we are dedicated to provide outstanding goods and services that are supported by a dedication to reliability, effectiveness, and sustainability. Therefore, Divine Cork is the only company you need to consider if you're seeking for a trustworthy partner for your cork product needs.

# CEO MESSAGE

## Environmental Concerns

---

At Divine Cork, we are dedicated to protecting the environment and making sure that all of our operations are sustainable. To reduce our environmental impact, we use eco-friendly production techniques to source cork from cork oak forests that are sustainably maintained.

## Quality Assurance Facilities

---

At Divine Cork, quality is at the foundation of all we do. In order to guarantee that all of our cork products meet the highest standards of quality, we have created strict quality control methods. To ensure that our customers receive the best products possible, our skilled quality assurance staff inspects each product at every stage of manufacturing, from sourcing raw materials to shipping finished products.

## Customer Satisfaction

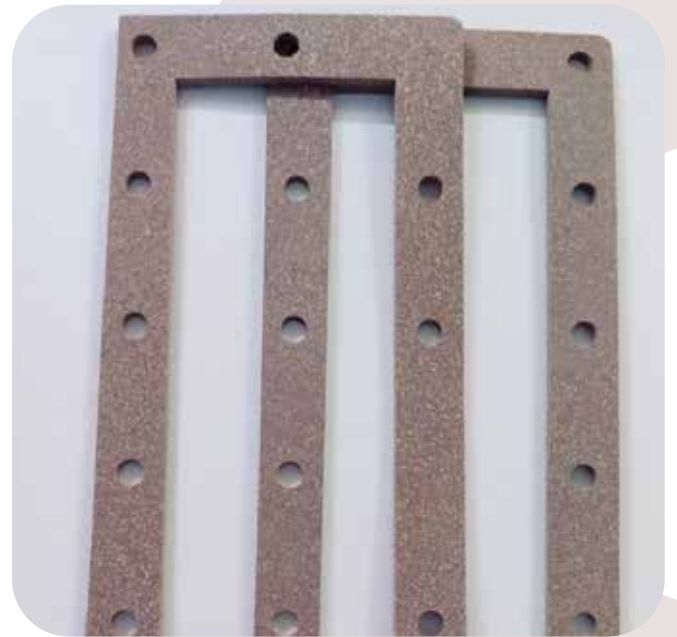

At Divine Cork, customer satisfaction is our primary focus. We work hard to provide our customers with great products and services while establishing lifelong relationships based on mutual respect and benefit. Our passionate customer care team works directly with customers to comprehend their unique demands and offer solutions that are specifically designed to satisfy those needs. To ensure complete client pleasure, we are committed to offering great products and first-rate customer service.
